Report on National Youth Day -Day is celebrated on 12th January being the birthday of Swami Vivekananda

Event: Seminar

Date: 12 / 01/2021

Objective:

NIT Graduate School of Management organized seminar on “**National Youth Day**”- with the noble objective to create awareness about the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian youth.

Participation:

Mr. Rajendra Kotewar renowned speaker was a guest speaker for the seminar and nine Faculty Members along with 109 Students of NIT GSM were participated in the seminar

Agenda:

To create awareness about National Youth Day. National Youth Day is celebrated on 12th January being the birthday of Swami Vivekananda. In 1984, the Government of India declared this day as a National day and it is celebrated since then. It is a belief of Indian government that the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian youth.

Outcome:

NIT Graduate School of Management on 12th January, 2021 amid the pandemic organized this day for students to motivate and guide them on the process to evolve in the online regime. The summit witnessed Speakers and Guests from all professional arenas.

At the beginning of program our respected Director Dr. Mukesh Patil. gave a short speech on National Youth Day. Then some fun events were designed to make the boys realize the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian youth. Guest of Honour , **Mr. Rajendra Kotewar** began by acknowledging the efforts put forth by Dr. Mukesh Patil and the whole team of NIT GSM to organize this illustrious Seminar. He even expressed his ecstasies after getting to know that the vast number of attendees are youngsters that even students. he reminded the venerable gathering that today marks the birth anniversary of Swami Vivekananda who was born on 12th of January, 1863 at Calcutta and how at a very young age he had illuminated the ‘Parliament of the World’s

Religions' at Chicago in the year 1893 with the electrifying words, "Sisters and Brothers of America...". The impact of the words was so astounding that the whole august gathering gave more than two minutes of applause. During this journey of his, he had introduced the Indian Vedanta and Philosophies of Yoga to the World and later went on to be the founder of 'Ramakrishna Mission', named after his guru, mentor and guide. Looking at the contributions and sacrifices Vivekananda had made for the mankind.. Speaker then appreciated NIT GSM for organizing this seminar and discuss the pressing issues concerning the youth. In the contemporary times, it is pertinent for the youth to be aware and educated which will only pave the way to an honourable and dignified life. He even highlighted that India has more than 50% of its population below the age of 25 years and more than 65% below the age of 35 years. The youths of India have been instrumental, as he exclaimed, in providing key solution at times of crisis and should also endeavour through different ways to contribute to the society. He even enlightened the audience with some of the notable quotations by Swamiji himself through his different speeches. His inspiring words and his charisma shone forth from his words and met with a great applause. He vividly shared his experience and his efforts which were highly commended and praised.

At the end of the day, not only where students empowered but were filled with faith and hope to reach out to more people and work hand in hand for empowerment of mankind to make India the best version of itself.

Report on - The world environment day celebration

Event: Seminar

Date: 5 June 2021

Objective:

NIT Graduate School of Management organized event on The world environment day to raise awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. This program's aim is to make young people's aware about their roll and responsibility for planet and environment.

Participation:

Mr. Vaibhav Titarmare Assitant Professor , Nagpur institute of Technology, Nagpur was a guest speaker for the seminar and four Faculty Members along with 68 Students of NIT GSM were participated in the seminar

Agenda:

To raise awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities

Outcome:

World environment day is not just a celebration but also a reminder to take best care of our surroundings. Every year, 5th June is celebrated as “World Environment Day” to encourage awareness for nature and work for its protection. World Environment Day came into existence in 1972 by the United Nations Assembly on the first day Stockholm Conference held on the human environment and later in 1974, the day started to be celebrated with the theme “Only One Earth”. The theme of World Environment Day 2021 is Reimagine, Recreate , Restore – means preventing the halting & reversing the damage –to go from exploiting nature to healing it.

NIT Graduate School of Management conducted a virtual meet where the students from various departments actively participated in various activities. A webinar was also conducted by guest speaker Mr. Vaibhav Titaremare Nagpur institute of Technology, Nagpur.

The variety of events included

Painting (Open to all. Based on Environment Restoration)

Photography (Open to all. Related specifically to Environment)

Speech

Slogan

Apart from it, some students took initiative to plant trees to save nature for better tomorrow. A beautiful poem was recited by second year students on Mother Earth.

At the end of the day, not only were students empowered but well aware about their duties to save mother earth as well. They all were filled with faith and hope to reach out to more people and work hand in hand for saving environment to make India the best version of itself.
