COMPETITIVE EXAMINATIONS GUIDANCE CELL (CEG CELL)

Competitive Examinations Guidance Cell of NIT Graduate School of Management was set up in the year 2016 keeping in view of college "Service to the society through Quality Management Education". We at NIT GSM, serve the society not only by imparting quality management education but also by providing necessary guidance to the students from all walks of society to pursue their career as per the requirements of time. Guidance for Competitive Examinations Program is organized under the guidance of CEG Cell. Program plan and conduct coaching and training programmes from eminent administrators, academicians and professional for successful participation in Competitive Banking Examinations. Program aims at tapping the talent in students, encouraging them to appear for banking examinations and helping them to improve their preparation for the examination. The cell also undertakes activities like creating awareness amongst the students about latest trends and opportunities in Competitive Banking Examinations. It also views to induce general reading, general observation and thinking power for reasoning and courage for facing various Competitive Banking Examinations.

CAREER COUNSELING CELL (CC CELL)

Giving utmost importance to various factors resulting in the success or failure at the beginning of a professional career, a lot of counseling and guidance is needed to the students prior to the interviews. A Career Counseling Cell (CC Cell) at NIT Graduate School of Management has been established in 2014 on its own interest for offering career counseling to students and guiding the young minds by helping them to understand their strength. The cut throat competition at all levels in the job market demands a support system that enables the students of an institution not only the attainment of academic excellence but to find a comfortable placement in life.

SOFT SKILL DEVELOPMENT CELL

NIT Graduate School of Management established Soft Skill Development Cell in 2015 for entrusting the responsibility to train students by providing them skills through facilitators with objective for enhancing their Employment and Self-Employment opportunities.

The cell works under the guidance of Soft Skill Development experts collaborated through MOU. To bridge the gap between requirements of the industry and the skills of the students, Soft Skills Development Program - "College to Corporate" is being organized for MBA students by Soft Skill Development Cell of NIT GSM from 2015. It aimed at inculcating and building upon the basic soft skills that are required by every student while appearing for the recruitment process of any company. Soft skills are identified as the most critical skills in the current global job market especially in the fast moving era of technology.

REMEDIAL COACHING

The college, with the additional financial support from management, runs remedial coaching for the students who need special care and support in academics. The coaching programme is co-ordinate by a senior faculty nominated by the Director of institute. The classes are conducted without disturbing the regular instructional hours. A committee consisting of the Director, Head of Department, co-coordinator and a group of faculty from various departments monitor the coaching programme regularly. The objective of remedial teaching is to give additional help to students who, for one reason or another, have fallen behind the rest of the class in the subjects of Statistic, Numerical and Specialization Subject of MBA

YOGA AND MEDITATION CLUB

Teachers of developmental education are familiar with students who are balancing innumerate stressors in their lives, in addition to the overwhelming stress of college. Stress relief methods like yoga and meditation are essential life management tools in helping new college students succeed, not only in their education but also in their careers and personal lives. When incorporated into college, yoga and meditation can offer students healthy stress relief in order to successfully pursue their academic goals, in addition to offering lifelong stress management. Recently, mindfulness methods like yoga and meditation have found a place in health care centers, businesses, schools and colleges.

PERSONAL COUNSELING CELL

College life can be fun and fulfilling providing the students various opportunities to acquire new skills and knowledge for developing their character. This is an important milestone before students join the workforce and launch their career. However adjusting to the new environment and managing academic and personal demands may induce high levels of stress and anxiety. Counseling is a helping process which aims to facilitate the process of growth and positive well being. Counseling empowers students with enhanced ability to solve problems, make decisions and deal more effectively with their personal situations. It helps students to alleviate distress, enhance wellness, utilizing their best potentials and facilitate the achievements.
