2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Yes, the Institute is very serious in assessing the learning level of students. We have a streamlined mechanism for continuous monitoring and evaluation of the students.

Students are identified based on:

1. Performance in Graduation Examination
2. Class Test

For Slow learners:

Slow learners are kept in separate section and exams are conducted to them. The student mentor assesses the nature of their problems and then motivates them in a friendly way to reach their academic goals. Remedial classes are organized to clarify doubts, re-explaining of critical topics for improving performance. Appropriate counseling with additional teaching, eventually helps to students to improve.

For Advance Learners:

Advance learners are identified through their performance in examinations, interaction in class room and during interactive session, their fundamental knowledge, concept understanding and expression abilities etc. The Institute promotes independent learning that contributes to their academic and personal growth.

Strategies adopted for student improvement:

1. Remedial classes are organized to clarify doubts.
2. Re-explaining of critical topics for improving performance.
3. Motivational classes are conducted to improve the mental ability of student to analyze problems and to encourage student to regularly attend classes.
4. Students can discuss their personal issues with teachers for proper guidance.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

In 2019-20 the RTMNU University adopted the Choice Based Credit System (outcome Based) for MBA program. The institute is responsible to provide the internal assessment marks for MBA, the End Semester Examination for the course is conducted Institute, and the university has specified norms for the conduct for these evaluations, which are strictly followed by the institute.

Internal Examination System:

The Institute conducts the internal examination on the university exam pattern.

Question papers for internal exams are prepared by the concerned subject faculty and it is submitted to the HOD for conducting the actual Exam.

Marks for internal assessment awarded on the basis of tests, assignment, active participation in class, attendance and overall conduct, as determined by the faculty in the respective subject and moderated by the Director as per the directions of the University. Institute sends students for summer internship project for 45days after second semester.

The Institute takes efforts to have transparency in the internal assessment. The test answers and model papers are given to the students. Student gets opportunity to discuss the performance in the tests with the concerned teachers.

Institute displays the internal marks obtained by students on the notice boards.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The institute has the following mechanism for redressal of grievances with reference to evaluation both at the institute level and University level, the details of which are given as under:

Institute level Internal Class Test:

College evaluation system is very transparent and grievances are rare. Answer sheet of internal assessment are shown to the students.

The answer scripts of the examinations are shown to the students soon after evaluation. If there is any discrepancy, the teacher concerned makes necessary correction, if justified.

If the problem is not solve at the faculty end then student can approached to the Head of the Department who then resolves the problem by discussion with subject experts.

Faculty is very open to discuss any problems encountered and solve

them on their level.

University level: External End Semester Examination

The University has its own grievance redressal mechanism for evaluation.

In case any student has an objection about the marks awarded, he/she has the facility to apply for revaluation within a specified time with the prescribed fee.

The university revalues the answer scripts and takes corrective action.

The facility of revaluation is available for all students

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution practises decentralization and participatory management in keeping with its belief in collective leadership and

democratic traditions. A particular reflection of this practice may be seen in the extensive delegation of authority to the Heads of the various Departments in the college.

The Ways in which Heads of Departments participate in the Management Process:

The Head of the Department oversees the Teaching Plans of his/her departmental members.

- He/she is empowered to make adjustments in the routine, and to allot teaching assignments and evaluation duties.

- He/she enjoys the privilege of convening departmental meetings where the programmes for the entire term are decided.

- He/she often takes the lead in planning seminars, workshops, career counseling sessions, remedial measures, inter-

departmental or/and inter-college exercises, departmental excursions and study tours.

- He/she is at liberty to introduce creative and innovative measures for the benefit of his/her students.

- Heads of Departments plan, prepare and publish the magazine or working paper in consultation with his/her colleagues.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

After establishing the IQAC in the college, started working towards quality education and inculcating quality culture among the students and staff. The IQAC has also contributed towards institutionalizing the quality assurance strategies and developed various processes as follows:

Promote industrial involvement in academic practices by organizing industrial training, industrial visits, workshops, and guest lecturers from industry experts, etc.

Implementation of interactive learning education in program.

Introduces the aptitude classes and soft skill classes for students to enhance personality and employability.

Conducting quality programs i.e., seminars, webinars, guest lectures, conferences, etc.

Establishment of various processes to take feedback/surveys from various stakeholders.

To implement and enhance the use of ICT tools to strengthen the

teaching-learning process.

Establishment of the Mentor-mentee process and its effective implementation.

To institutionalize the best efforts to make the campus ragging-free and develop the discipline in the students along with the establishment of grievance redressal cell.

Other than these initiatives IQAC works on improving the teaching-learning process in programs of college gradually. A result-oriented, performance-based model is adopted at NIT Graduate school of Management that emphasizes accountability based on student learning. Outcome-based education aims to create a student-centric learning environment at the course level including curriculum and training.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Yes, the Institute is very serious in assessing the learning level of students. We have a streamlined mechanism for continuous monitoring and evaluation of the students.

Students are identified based on:

1. Performance in Graduation Examination
2. Class Test

For slow learners:

Slow learners are kept in separate section and exams are conducted to them. The student mentor assesses the nature of their problems and then motivates them in a friendly way to reach their academic goals. Remedial classes are organized to clarify doubts, re-explaining of critical topics for improving performance. Appropriate counseling with additional teaching, eventually helps to students to improve.

For Advance Learners:

Advance learners are identified through their performance in examinations, interaction in class room and during interactive session, their fundamental knowledge, concept understanding and expression abilities etc. The Institute promotes independent learning that contributes to their academic and personal growth.

Strategies adopted for student improvement:

1. Remedial classes are organized to clarify doubts.
2. Re-explaining of critical topics for improving performance.
3. Motivational classes are conducted to improve the mental ability of student to analyze problems and to encourage student to regularly attend classes.
4. Students can discuss their personal issues with teachers for proper guidance.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Student centric learning is focused on the needs of students, their abilities, interests and learning styles where the teacher acts as a facilitator. A mentor is allocated to each student who guides the individual student.

The following participatory teaching-learning activities are undertaken:

Student centric methods are used to enhance the learning experiences:

1. **Experiential learning** - Students undertake internships in industries and participate in industry sponsored non-sponsored projects and field work. Students are sent in the companies for operational workouts and live projects too.
1. **Participative Learning:** Several curricular activities like report writing, seminars, quizzes, debates, group discussions, group mini projects encourage participative learning.
1. **Problem solving Methodologies** - students solve the subject related Case studies, simulation games and role plays which enhance their learning experiences.

The process of course outcome assessment is based on unit test, pre university examination and through various curricular and extra curricular activities. As per the academic calendar every program is arranged with an objective and the program outcome is evaluated is a continuous process.

Following measures are adopted by the institute to ensure monitoring and achievement of learning outcomes:

1. Unit Test: This type of performance assessment is carried out during the examination sessions which are held ones a semester. Each and every exam is focused in attaining the course outcomes.

ii)Preuniversity Examination: Preuniversity Examination is a metric for assessing whether all the course outcomes are attained or not. Examination is more focused on attainment of course outcomes and program outcomes using a descriptive exam.

iii)Assignment: Each and every student is assigned with course related tasks during every course work and assessment will be done based on their performance. Grades/Marks are assigned

depending on their attainment and submission of assignment

iv) Rubrics are formulated for the assessment of Library, quiz, classroom presentations, activities held under various cells and Internship & Final Project work courses. Record the attainment of Course Outcomes of all courses with respect to set attainment levels.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision

NIT GSM has a vision of being recognized as amongst the leading management institutions imparting quality education; to reduce world class professionals who possess knowledge, skills and necessary values that help them take challenges at a Global level

Mission

We believe in imparting quality management education which is in line with the latest global requirements & development of all round abilities of the students.

Nature of Governance:

The institution follows a democratic and participatory mode of governance with all stakeholders participating actively in its administration. The Governing Body delegates authority to the Secretary and Principal who, in turn share it with the different levels of functionaries in the college. The HOD, the Conveners of various committees and cells along with the staff representatives on higher decision-making bodies play an important role in determining the institutional policies and implementing the same.

Perspective/Strategic Plan

The institution has a Perspective/Strategic Plan in place to help it develop in a systematic, well-thought-out and phased manner

Participation of Teachers in Decision-Making Bodies.

Heads of Departments enjoy considerable administrative and academic autonomy in running their disciplinary units.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution practises decentralization and participatory management in keeping with its belief in collective leadership and democratic traditions. A particular reflection of this practice may be seen in the extensive delegation of authority to the Heads of the various Departments in the college.

The Ways in which Heads of Departments participate in the Management Process:

The Head of the Department oversees the Teaching Plans of his/her departmental members.

- He/she is empowered to make adjustments in the routine, and to allot teaching assignments and evaluation duties.

- He/she enjoys the privilege of convening departmental meetings where the programmes for the entire term are decided.

- He/she often takes the lead in planning seminars, workshops, career counseling sessions, remedial measures, inter-departmental or/and inter-college exercises, departmental excursions and study tours.

- He/she is at liberty to introduce creative and innovative measures for the benefit of his/her students.

- Heads of Departments plan, prepare and publish the magazine or working paper in consultation with his/her colleagues.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has consistently striven to institutionalize quality assurance strategies and processes at every level of the institution's functioning. From devising strategies to improve the teaching-learning process through increased use of ICT, expanding the scope of the library, transforming it into a multivalent knowledge portal and establishing contact with research institutes to re-defining the boundaries of a vitalizing, meaningful and holistic education the IQAC has been a proactive player in the overall benchmarking process.

The IQAC has regularly convened meetings; it has submitted the AQARs to NAAC in a timely manner; it has collected feedback in appropriate forms from different stakeholder categories, analysed the same and used it for qualitative improvement; it has organized Academic and Administrative Audit and has initiated follow-up action as per the suggestions and recommendations of the eminent evaluators.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

After establishing the IQAC in the college, started working towards quality education and inculcating quality culture among the students and staff. The IQAC has also contributed towards institutionalizing the quality assurance strategies and developed various processes as follows:

Promote industrial involvement in academic practices by organizing industrial training, industrial visits, workshops, and guest lecturers from industry experts, etc.

Implementation of interactive learning education in program.

Introduces the aptitude classes and soft skill classes for students to enhance personality and employability.

Conducting quality programs i.e., seminars, webinars, guest lectures, conferences, etc.

Establishment of various processes to take feedback/surveys from various stakeholders.

To implement and enhance the use of ICT tools to strengthen the teaching-learning process.

Establishment of the Mentor-mentee process and its effective implementation.

To institutionalize the best efforts to make the campus ragging-free and develop the discipline in the students along with the establishment of grievance redressal cell.

Other than these initiatives IQAC works on improving the teaching-learning process in programs of college gradually. A result-oriented, performance-based model is adopted at NIT Graduate school of Management that emphasizes accountability based on student learning. Outcome-based education aims to create a student-centric learning environment at the course level including curriculum and training.
