About NIT Graduate School of Management

Career Counseling Cell (CC Cell)

Cell Introduction:

Giving utmost importance to various factors resulting in the success or failure at the beginning of a professional career, a lot of counseling and guidance is needed to the students prior to the interviews. A Career Counseling Cell (CC Cell) at NIT Graduate School of Management has been established in 2013 on its own interest for offering career counseling to students and guiding the young minds by helping them to understand their strength. The cut throat competition at all levels in the job market demands a support system that enables the students of an institution not only the attainment of academic excellence but to find a comfortable placement in life.

CC Cell of NIT GSM plays a crucial role in counseling the students to various openings suitable to their competency, economic resources and personal choices. Since the student intake is from different social, economic and academic backgrounds, the students require a well planned and organized career counseling at the institutional level for their career progression.

We facilitate students for goal settings, positive interaction, multiple intelligence, self awareness, and leadership qualities, inter personal and intra personal relationships. We motivate and encourage students for interaction, articulation and exploration. We engage students in activities to realize their interest areas, aspirations and pursue them as a career.

CC Cell of NIT GSM is a dynamic body functioning to provide wholesome development to the students. The cell works under the guidance of CC experts collaborated through MOU. They are
